

Reporter Caught Trespassing by Cara Airlines Solutions

MONTREAL, June 6 /CNW Telbec/ - Cara Airline Solutions advises that a reporter was caught trespassing at its Montreal operation centre last night.

The reporter entered the building by impersonating an employee, but he was confronted and stopped by two Cara Airline Solutions Associates when he attempted to enter the operations and production areas. The reporter insisted to Associates that he was a new employee, however, he was detained and immediately escorted from the building. Cara Airline Solutions appreciates the diligence of its people in fulfilling their role in securing our operations.

The police have been contacted and are investigating the matter.
