

RECIPE UNLIMITED ANNOUNCES RECEIPT OF INTERIM ORDER AND FILING OF SPECIAL MEETING MATERIALS IN RESPECT OF ARRANGEMENT WITH FAIRFAX

TORONTO, Sept. 26, 2022 /CNW/ - Recipe Unlimited Corporation ("Recipe" or the "Company") (TSX: RECP) announced today that it has filed and is in the process of mailing the management information circular (the "Circular") and related materials in connection with the special meeting (the "Meeting") of its shareholders (the "Shareholders") to be held virtually on October 21, 2022. The Meeting has been called for the Shareholders to consider and, if deemed advisable, to pass a special resolution (the "Arrangement Resolution") approving a previously announced statutory plan of arrangement involving the Company and 1000297337 Ontario Inc. (the "Purchaser"), a newly-formed subsidiary of Fairfax Financial Holdings Limited ("FFHL"), pursuant to which the Purchaser will acquire all of the issued and outstanding multiple voting shares ("MVS") and subordinate voting shares ("SVS", and together with "MVS", the "Shares") in the capital of the Company (other than those Shares owned by FFHL and its affiliates (collectively, "Fairfax") and 9,398,729 MVS owned by Cara Holdings Limited ("CHL", and together with Fairfax, the "Buying Group")) at a price of \$20.73 in cash per Share (the "Consideration"), subject to the terms and conditions of the arrangement agreement dated August 31, 2022 (the "Arrangement Agreement") among the Company, the Purchaser and FFHL (the "Arrangement").

Board Recommendation

The board of directors of the Company (the "Board") having taken into account such factors and matters as it considered relevant including, among other things, the recommendation of the independent special committee of the Board (the "Special Committee"), unanimously determined that the Arrangement is in the best interests of the Company and fair, from a financial point of view, to the holders of Shares (other than the Buying Group). Accordingly, the Board unanimously recommends that the Shareholders vote in favour of the Arrangement Resolution at the Meeting.

Reasons for the Recommendation

In making its recommendation to the Board, the Special Committee considered and relied upon a number of substantive and procedural factors as set out in the Circular, including, among others, the following:

- **Significant Premium to Unaffected Market Price.** The value of the Consideration offered to Shareholders under the Arrangement represents a premium of 53.4% to the closing price on August 8, 2022, being the last trading day prior to the announcement of a letter of intent between Fairfax and the Company, and a premium of 59.2% and 58.1% to the 30- and 60-trading-day volume weighted average price, respectively, as of the close of trading on August 8, 2022.
- **Certainty of Value and Immediate Liquidity.** The Consideration being offered to Shareholders under the Arrangement is all cash, which provides immediate liquidity and certainty of value, especially given the thin trading volume of the SVS.
- **Independent Valuation and Fairness Opinion.** The Special Committee's independent financial advisor, Greenhill & Co. Canada Ltd. ("Greenhill"), prepared a formal valuation of the Shares in accordance with Multilateral Instrument 61-101-Protection of Minority Security Holders in Special Transactions, concluding that, as of August 8, 2022, and based upon and subject to the assumptions, limitations and qualifications set forth therein, the fair market value of the Shares was in the range of \$16.67 to \$21.85 per Share. The Consideration being offered to the holders of the Shares under the Arrangement is in the upper half of Greenhill's valuation range. In addition, on August 8, 2022, Greenhill delivered a fairness opinion to the Special Committee, pursuant to which it concluded that, as of August 8, 2022, the Consideration to be received by the holders of the Shares (other than the Buying Group) under the Arrangement is fair, from a financial point of view, to the holders of the Shares (other than the Buying Group). Further, on August 31, 2022, Greenhill confirmed that its views with respect to the fair market value of the Shares and the fairness of the Consideration to be received by the Shareholders pursuant to the Arrangement, as expressed in its formal valuation and fairness opinion, had not changed as at that date.
- **Special Committee Oversight.** The Special Committee, which is comprised entirely of independent directors and was advised by experienced and qualified independent financial and legal advisors, oversaw, reviewed and considered, and directly participated in the negotiation of, the Arrangement Agreement.

The Company also announced today that the Company has been granted an interim order (the "Interim Order") from the Ontario Superior Court of Justice (Commercial List) authorizing various matters, including the holding of the Meeting and the mailing of the Circular.
